

ACI Joins EF Hawai'i

February 27, 2009 – The Entrepreneurs Foundation of Hawai'i is pleased to announce that Atlantis Cyberspace, Inc. (ACI), which has produced the first fully-immersive simulation solution for infantry training, has become a member company. Visit the ACI website, www.aci-sim.com, to see a brand-new video of the ACI simulation training system – bringing to the infantry what aviators have had for years.

ACI has made a commitment to corporate philanthropy and community service with a donation of equity to EF Hawai'i. When ACI has a liquidity event, EF Hawai'i will sell its shares and use the proceeds to establish a charitable fund for ACI. While awaiting the liquidity event, EF Hawai'i will help connect ACI to community involvement activities that fit the company's interests and resources.

EF Hawai'i is grateful to ACI Founder & CEO Laurent Scallie and his team for this generous grant and looks forward to working with the company to support the Hawai'i community.
