

PipelineFX Joins EF Hawai'i

June 15, 2009 – The Entrepreneurs Foundation of Hawai'i is pleased to announce that PipelineFX has become a member company. PipelineFX produces Qube!, the leading render farm management software for animation in movies, visual effects, and games.

With a donation of equity to EF Hawai'i, PipelineFX has made a commitment to corporate philanthropy and community involvement. When PipelineFX has a liquidity event, EF Hawai'i will sell its shares and use the proceeds to establish a charitable fund for the company. While awaiting the liquidity event, EF Hawai'i will help connect PipelineFX to community service activities that fit the company's interests and resources.

EF Hawai'i thanks PipelineFX CEO Troy Brooks, Vice President of Sales Richard Lewis, and their team for this generous grant and looks forward to working with the company to support the Hawai'i community.
